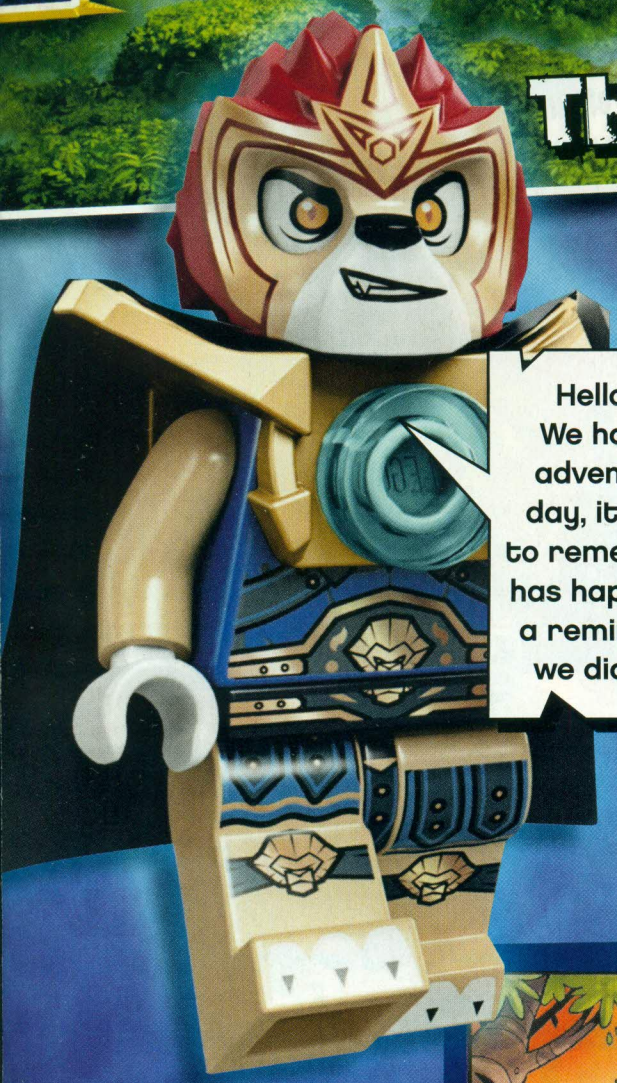
LEGO LEGENDS OF CHIMA™

THE STORY SO FAR ...

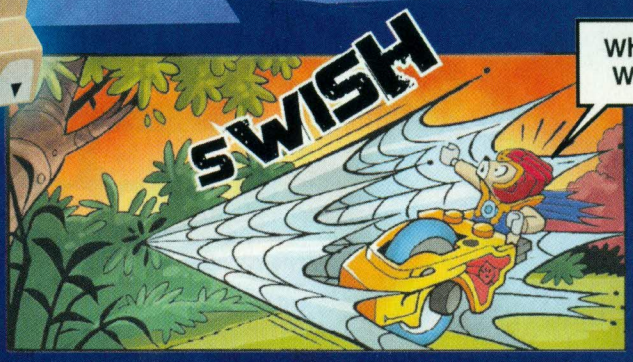


Hello, I'm Laval! We have so many adventures every day, it can be hard to remember all that has happened. Here's a reminder of what we did last time...

Looks like an invitation from King LaGravis.
It's an invite to the last grand Speedorz tournament in Chima – it's happening TODAY!

One last tournament!

"We were on our way to a new mission when we discovered that my father wanted to hold one last big Speedorz tournament. I really wanted to take part but Eris said no. She thought it was more important to find the Legend Beasts..."

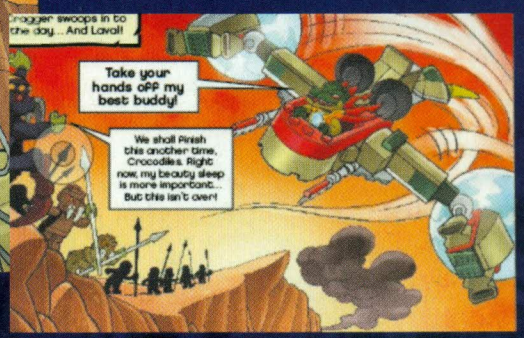


In the Spider Cave!

"At first I was annoyed with Eris but then I realised that she was right. Later a Spider's web shot out of nowhere and everything went black. When I came round, I discovered that I was a prisoner of the Spiders, along with Shadowind..."

Fight!

"Queen Spinlyn made Shadowind and me compete against each other in a dangerous Speedorz contest. When jumping over a deep gorge I was too slow and nearly fell! Fortunately, Cragger and Eris were able to rescue me at the last minute! Phew!"



Cragger swoops in to the day... And Laval!
Take your hands off my best buddy!
We shall finish this another time, Crocodiles. Right now, my beauty sleep is more important... But this isn't over!

...AND HOW THE ADVENTURE CONTINUES!

Cragger
The Crocodile

"I can hardly believe it, but Cragger and I are friends again. After the attack of the crawlers, he realised that we can only save Chima if all the animal tribes join forces against the creepy attackers..."

Laval
The Lion

"What more can I tell you about myself? I am the Prince of the Lions and together with my friends I am on an important mission in the Outlands. We are searching for the Legend Beasts in order to vanquish the insects and make the CHI flow once more."

Lavertus
The Hermit

"This grumpy hermit lion has a secret base where we plan our missions and prepare ourselves for action. He's a bit wacky!"

Scorm
The King of the Scorpions

"The Scorpions are the sneakiest and smartest of all the insects. Scorm, their leader, might be small but he has a strong suit of armour and a poisonous sting that allows him to take over other animals."

Scutter
The Scorpion Warrior!

"Yikes! Scutter is super-fast and people should really be very careful of his mighty tail!"

FIND OUT WHAT HAPPENS WHEN OUR HEROES MEET THE SCORPIONS IN THIS ISSUE'S COMIC ON THE FOLLOWING PAGES!

Suddenly, the Lion Warrior leaps on to his Speedor...
Go and warn the others. I'll try to hold it back!
WoooOOW!
Laval can't remember hearing anything about a vine-mud monster. Maybe he hasn't been paying enough attention?
Laval grabs a dangling vine...
...and circles the monster's legs with it, so the beast trips up...
SCREECH!

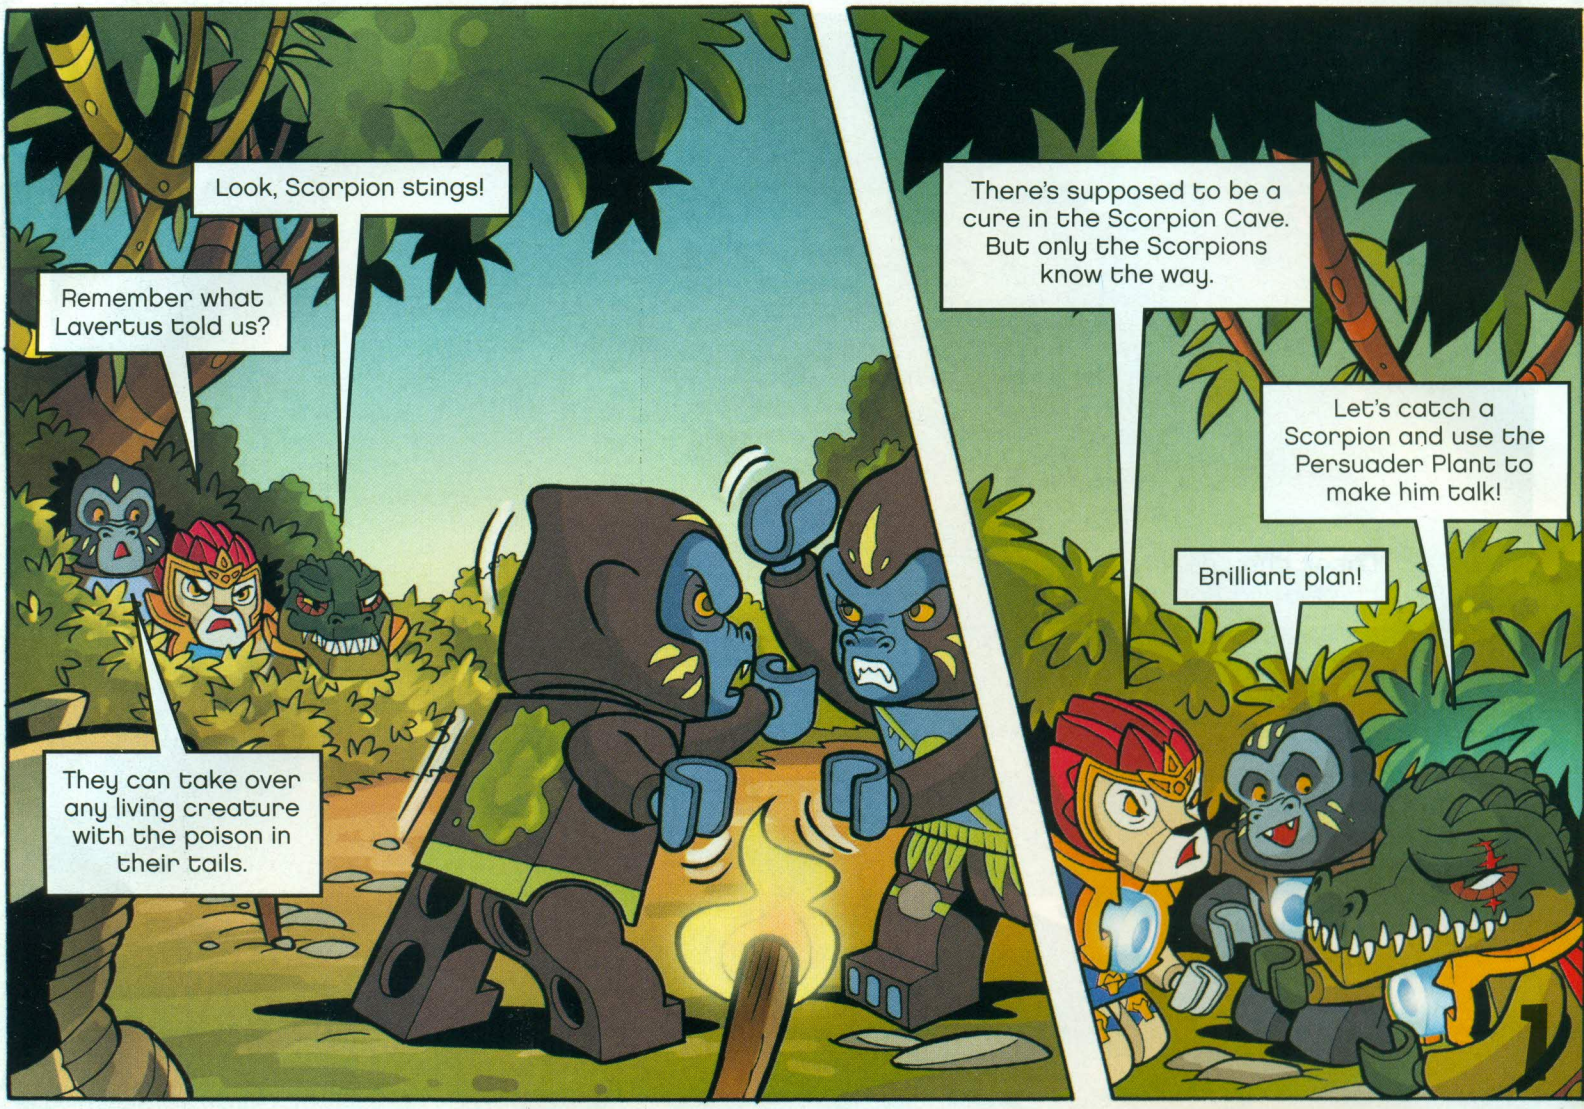
The beast crashes to the ground, and the other heroes hurry over to help Laval and Gorzan...
That's not a monster!
It's a Gorilla Striker!
Look, it's G'Loona!
G'Loona has a message for the young warriors...
The Gorillas want to attack the Lion Temple!
We've got to warn them!
The heroes discover that all the flowers have been trampled on...
They destroyed all the flowers!
Try not to worry. We'll sort it. But first you must get some sleep.

Soon, Laval, Cragger and Gorzan are on their way to Chima to find out what's going on...
Later, they reach the Gorilla Forest...
Sshhh! Make sure you stay very quiet!
CHI BONUS 2
The Gorillas have thrown a fiery torch on to this page. Can you find it?
The Friends can't believe what they find...
Grizzam, have you got room for a few friends of ours?
Yes, dude!
The Gorillas have joined forces with the Scorpions!



Look, Scorpion stings!
Remember what Lavertus told us?
They can take over any living creature with the poison in their tails.
There's supposed to be a cure in the Scorpion Cave. But only the Scorpions know the way.
Let's catch a Scorpion and use the Persuader Plant to make him talk!
Brilliant plan!

So...
The Scorpion is powerless against the smell of the mysterious flower...
How do we get to the Scorpion Cave?
First you must go to the Eternal Gorge...

Part 4

THE GORILLAS

The Gorillas are the coolest dudes in the jungle! When there's danger, they are very protective of the other animal tribes...

GORZAN

Gorzan is the leader of the Gorillas. He is SO strong but can be quite gentle. He loves flowers and gets upset if a plant is damaged. He often spends too much time thinking about unimportant things.

G'LOONA

The little Gorilla girl would like to be just as cool as Gorzan! She gets involved in the most dangerous missions, even though she isn't strong enough! She often needs protecting.

GRUMLO

Grumlo likes to stay relaxed and cool. He can be spotted doing yoga... but you'd better not make him angry.

GRIZZAM

Grizzam stands out with his gleaming white fur – and this makes him rather difficult to hide in the jungle...

GORILLA STRIKER

When it comes to a fight, Gorillas are super-strong and can outdo any other animal tribe. But when Gorzan gets behind the wheel of his Gorilla Striker, the insects start to crawl back into their caves.

Peace-loving people!
The Gorillas don't take much interest in the struggle for the CHI. Gorzan and his tribe just want to be left in peace. Sometimes they are persuaded by the Lions or Eagles to join in the fight. Then the Gorillas show their true strength: they are the best fighters in all of Chima.
Hang loose, dude!
The power of CHI!
When an animal uses a CHI orb, it gets a burst of incredible power. The animal's inner CHI warrior can be seen in glowing blue (or in red, for bad animals). Heroes like Gorzan can transform themselves into their inner CHI warrior!

UNDER THE SPELL OF THE SCORPIONS PART 2

Thanks to the Scorpion's directions, the three warriors quickly find the tunnel leading to the Scorpion Cave...

Look, over here!

Laval, Cragger and Gorzan can't believe how dangerous it looks...

CHI BONUS 5

How many Scorpion shadows do you see?

We can still leave!

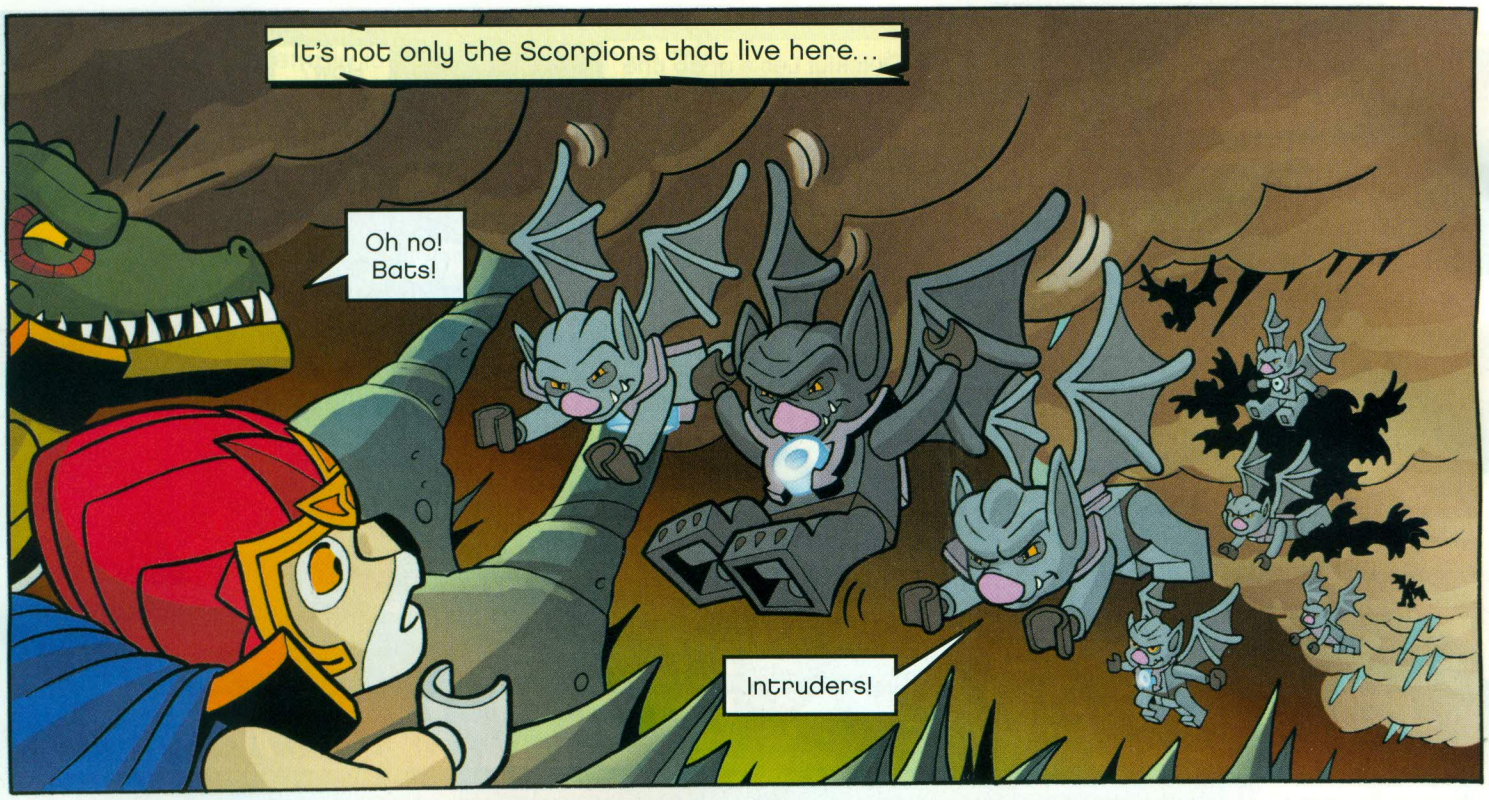
No! I must save my tribe.

If we do nothing, the Gorillas will attack the Lions. We cannot allow that to happen!

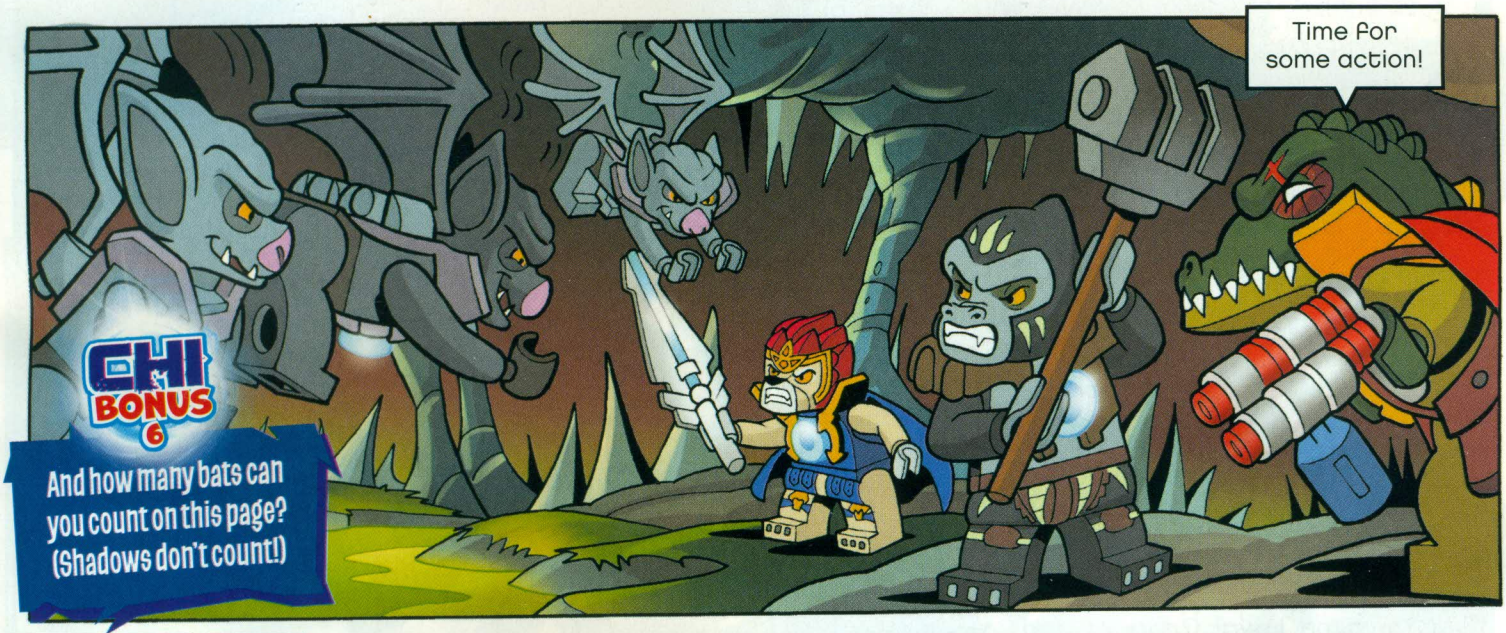
Laval discovers something very interesting...

This moss is different from the rest. It must be the special moss!

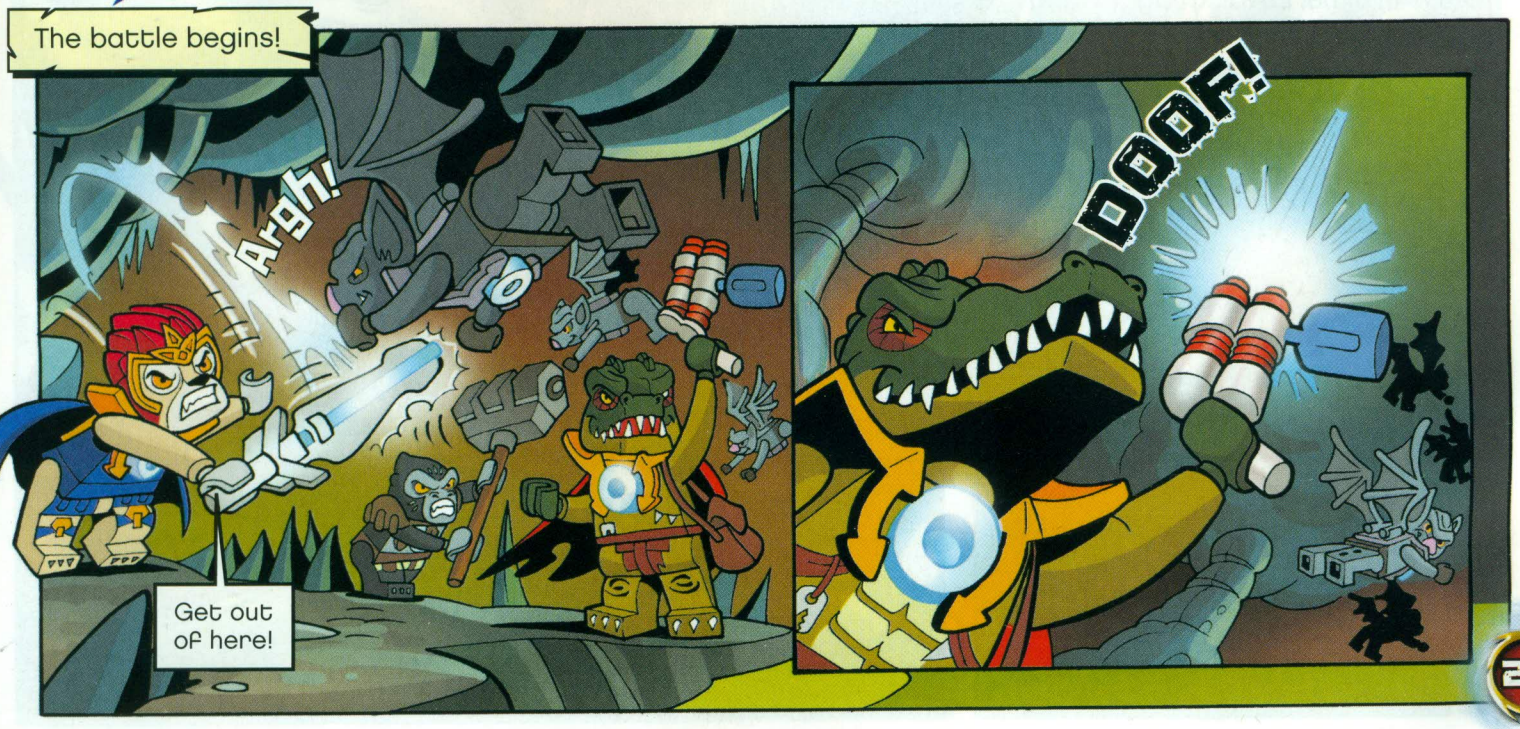
Uh-oh! I think we have company...



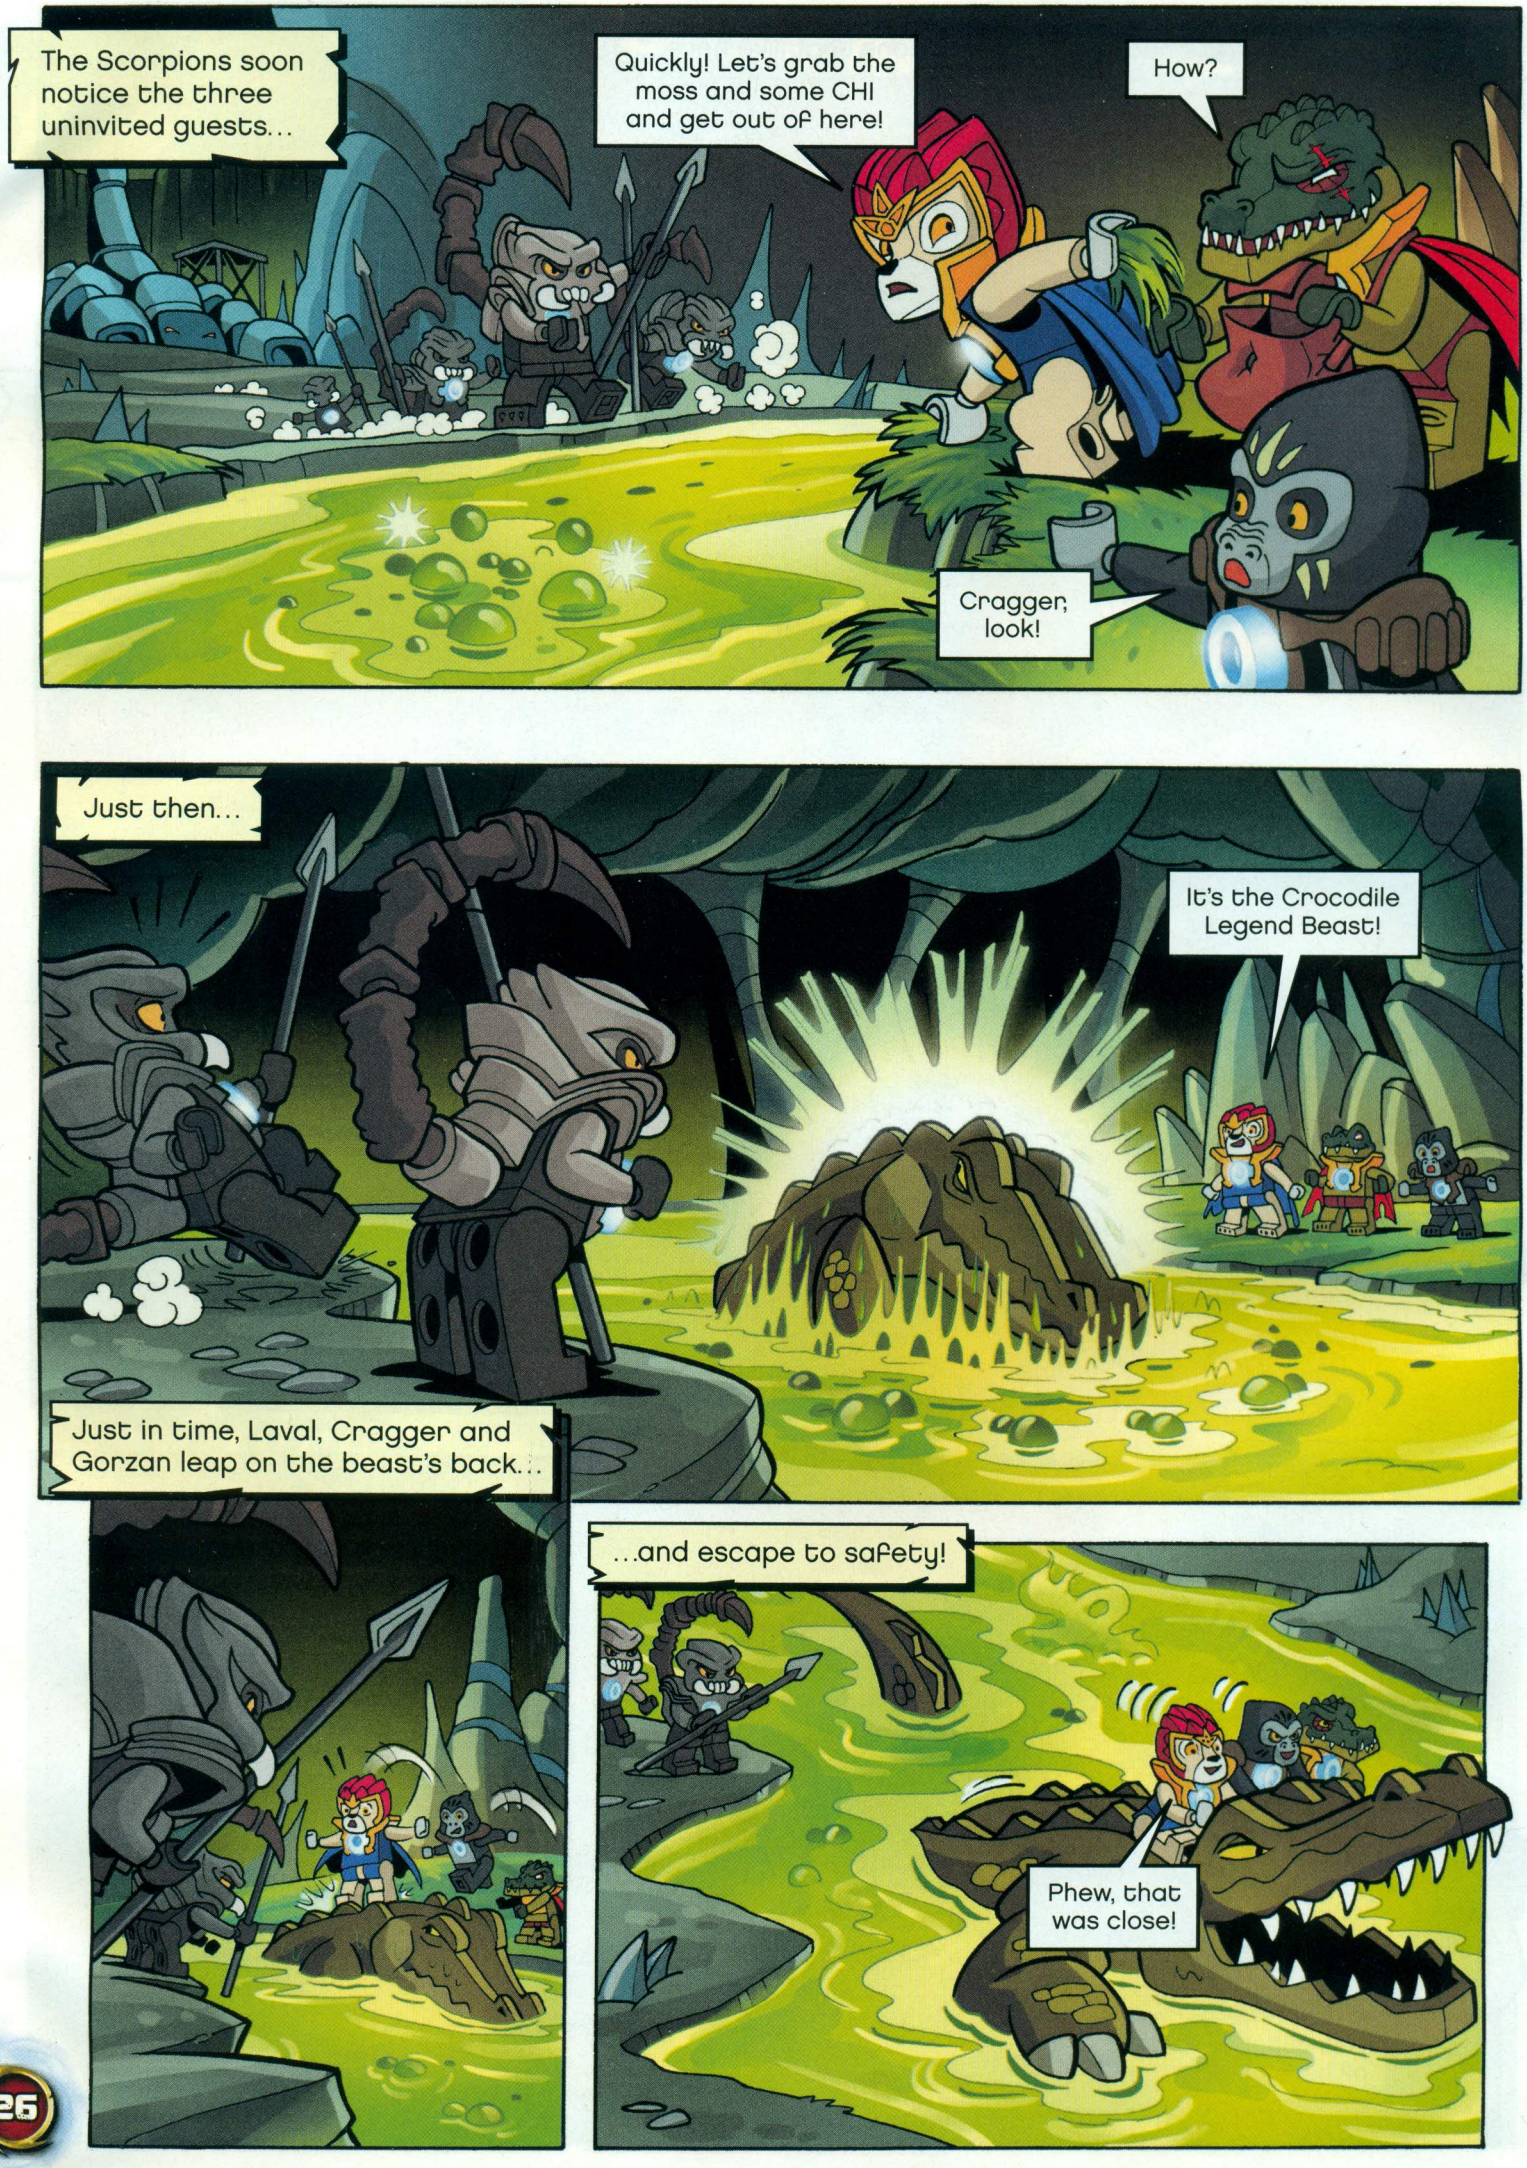
It's not only the Scorpions that live here...
Oh no! Bats!
Intruders!



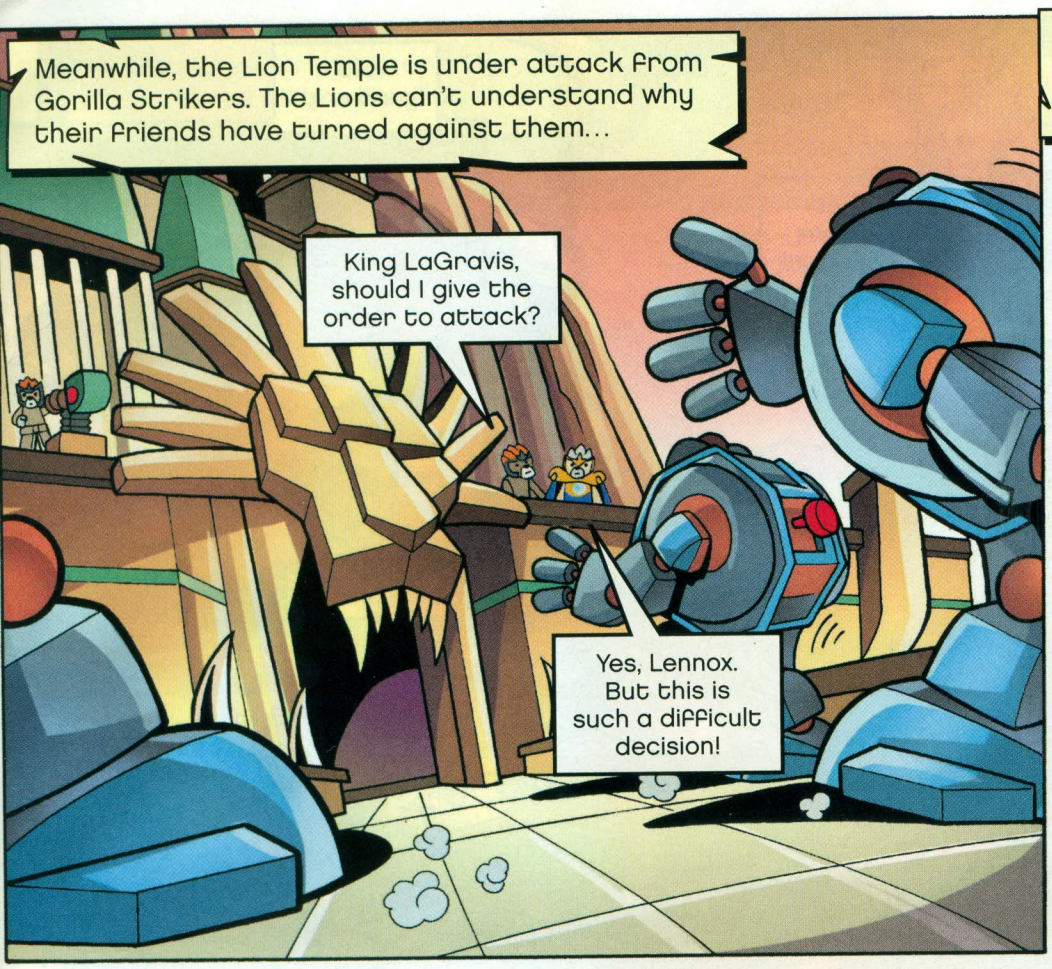
Time for some action!
CHI BONUS 6
And how many bats can you count on this page? (Shadows don't count!)



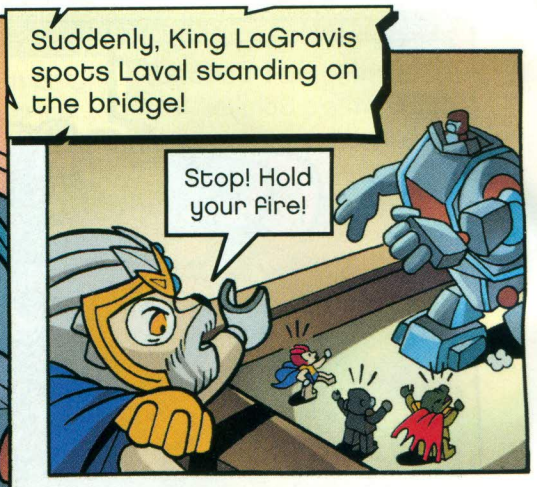
The battle begins!
Argh!
Get out of here!
DOOF!



The Scorpions soon notice the three uninvited guests...
Quickly! Let's grab the moss and some CHI and get out of here!
How?
Cragger, look!
Just then...
It's the Crocodile Legend Beast!
Just in time, Laval, Cragger and Gorzan leap on the beast's back...
...and escape to safety!
Phew, that was close!

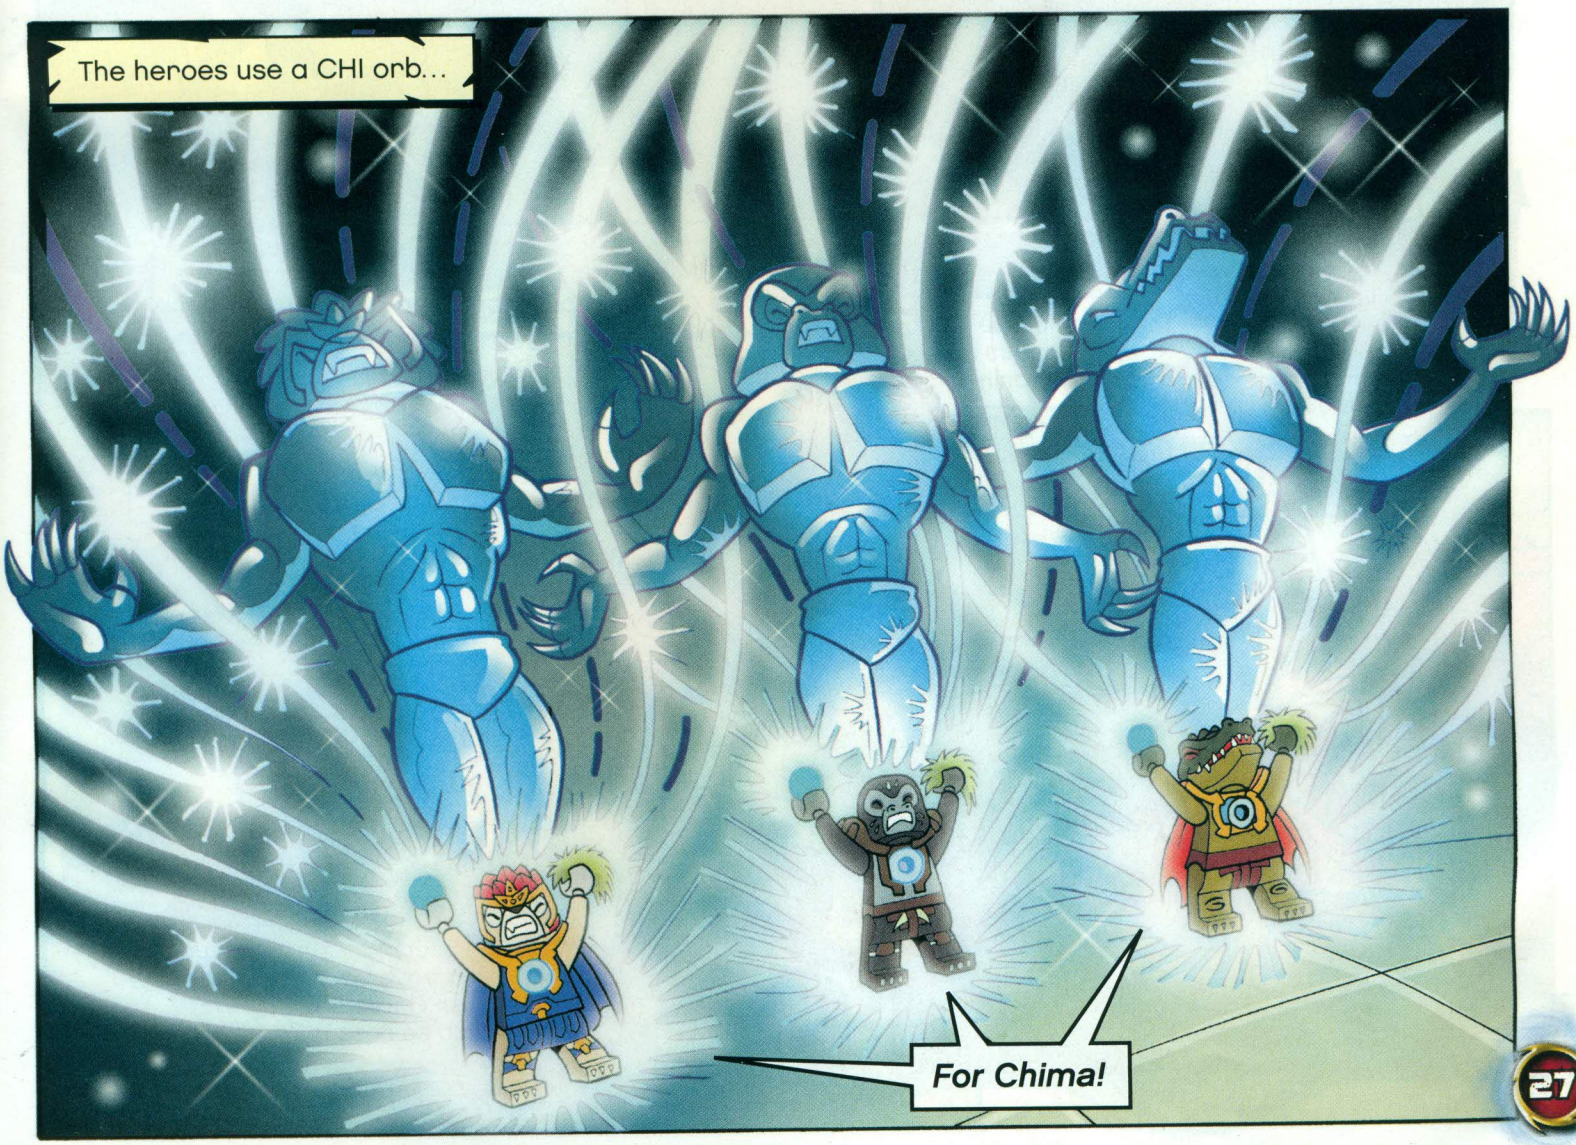


Meanwhile, the Lion Temple is under attack from Gorilla Strikers. The Lions can't understand why their friends have turned against them...
King LaGravis, should I give the order to attack?
Yes, Lennox. But this is such a difficult decision!



Suddenly, King LaGravis spots Laval standing on the bridge!
Stop! Hold your fire!

Are you ready?
Oh yes!



The heroes use a CHI orb...
For Chima!

Laval jumps aboard Grumlo's Striker...
Hey! Get a lift from someone else!
Have a good trip!
Aaaahhh!
CHI BONUS 7
One of the Gorillas has lost his armour. Can you spot it?
As Grumlo chews, the special moss starts to work. Suddenly he changes back to normal...
What... what happened?
The Scorpions poisoned you and have taken over the other Gorillas' minds. We've got to rescue them all!
Grumlo gets a big surprise...
Eat that, Gorilla!

Later, Laval, Cragger and Gorzan have cured all the Gorillas...
Don't mention it! Oh, that reminds me...
Thank you! If you hadn't saved us, we would have attacked our friends.
We have a gift for you. Special armour made by our friend Lavertus. This will protect you from Scorpion stings in the future.
It's time for our heroes to return to the Outlands. They are still far from finding the Legend Beasts!
Cragger, shall we go?
Yes!
And I'm sure we can use this plant again!
Maybe we should use it on Razar. He stole my cupcakes again this morning...
Come on, let's get out of here!
THE END
